1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Edwin H. Crabtree on September 21, 2004.

The application has been amended as follows:

In claim 3, line 1 "1" has been changed to --2--.

2. Per the interview of September 21, 2004 "said tie" in claim 3 was noted to lack antecedent basis and thus it was proposed to amend claim 3 to depend from claim 2 to overcome such indefiniteness.

3. The following is an examiner's statement of reasons for allowance: the closest prior art the references of McGlasson et al. and McKissick et al. fail teach the additional limitations of a cloth exterior surface, a cloth interior liner and attachment means attached to both the cloth exterior surface and the cloth interior liner.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
